Aperic Chic

From Monday to Friday
Until 10pm

In Italy, l'Aperitivo is not just a drink, it's a cherished daily ritual, a sacred pause between day and night when the streets fill with golden light, and life slows just enough to savour its beauty.

It's the clink of crystal glasses echoing through Italian alleyways, the scent of orange peel and rosemary on the breeze, and the effortless elegance of a Nonna who's always known: good things begin with a toast.

At Chic Nonna, we honour this beloved tradition with a Dubai twist where timeless Italian sophistication meets modern-day dolce vita, where each sip and bite is a love letter to the Italy we know by heart and the Nonna who taught us that elegance begins with generosity.
