

# NONNA'S BUSINESS LUNCH

THE ART OF THE  
ITALIAN MIDDAY BREAK

*In Italy, lunchtime is sacred. It's not just a quick meal, it's a daily ritual, a time to pause, recharge, and reconnect and no one understands this better than Nonna.*

*At Chic Nonna, we bring her wisdom to the heart of Dubai with a Business lunch that blends tradition with modern sophistication. Imagine stepping into Nonna's home, where the scent of simmering sauces and freshly baked Focaccia welcomes you. She wouldn't let you rush through lunch, she'd insist you sit, savor, and enjoy.*

*At Chic Nonna, each dish is crafted with the same love and attention Nonna would have poured into Sunday lunch. Designed for those who appreciate quality without compromising time, our curated two and three-course menu are a celebration of authentic flavors, just as Nonna would do.*

*Because in Italy, even the busiest day deserves a moment at the table and at Chic Nonna, business is always better with a taste of home.*
